

DocuSign: How to Sign a Document – Patient Guide

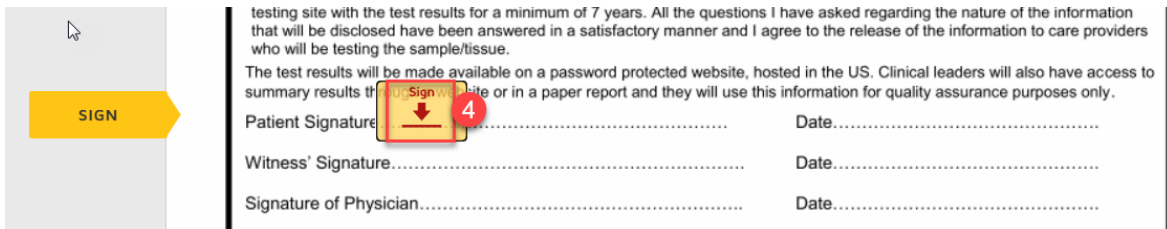

1. Open the email from DocuSign and review the message from the sender. Click **Review Document** to begin the signing process.

2. Click the **Start** tag on the left to start the signing process. You are taken to the first tag requiring your action.

3. Click on the **Sign** tag.

You will then be asked to Adopt Your Signature. Ensure your name is spelt correctly, and you can change the style of your signature if desired. Click **Adopt and Sign** when you are ready to sign.
